About the School

• Owned and operated by a teachers' cooperative whose duties include teaching, administration, direction of projects and extracurricular activities such as field trips, movies, and lectures.

• Maximum capacity is 50, but often have fewer students.

• Students range from preschool-age children who study with their parents to retired persons in their seventies.
Daily Schedule

• 7:00am - Breakfast with Guatemalan host family

• 8:00-12:00pm - Clinic

• 12:00pm - 1:00pm - Lunch

• 1:00pm - 5:00pm - Medical Spanish class or afternoon activity
Clinic

• Primarily staffed by local doctors and [when available] by medical volunteers.

• Provides free primary care attention to low-income populations in Quetzaltenango.

• Works in conjunction with the Timmy Foundation who established creation of a Social Work Fund, which helps subsidize specialized treatments for patients seen at Pop Wuj Clinic.
